Megan Crook

We are so proud of all your accomplishments during high school. You worked hard to be in the top 20% of your class and making the National Honor Society. You had the courage to join the Girls Golf Team your Freshman year, even though you had never hit a golf ball before. Your hard work and determination lead you to be the NCC 2012 Girls Golf Conference Champ your Senior year. You made us so proud for making history at Highland High School by being the first golfer to win Conference. (You know Grandpa Blackburn was watching you.)

Continue to have the courage to try new endeavors and you will achieve success far beyond what you could imagine.

We love you so much!

Dad & Mom

Megan Cox

Megan,

We are so proud of all of your achievements and the beautiful young lady that you have become. We wish you every success in life. We love you more than you will ever know!

Love,

Dad, Mom, Makenzie, and Granny

Tiffany Fordyce

Tiff, you're one of the strongest persons I've ever met. You have always held strong in your beliefs. You have been a joy since the day you were born. You have always been confident in your academic abilities and what is right, as well as being humble. You have stepped aside many times so others could have their way. Dad and I couldn't ask for a better daughter than you. Watching Tim and you grow up together has been so rewarding to us. My favorite memories are of listening to you, Tim, and your friends hanging out overnight and having fun, as well as our camping trips. Tiff, you can do anything you want. You are smart and have strong values. You have a beautiful smile that lights up the room. Keep close to God as you always have and he will help you. Remember, your family loves you very much and wishes well in all your endeavors.

M'lynn,
From preschool through high school
we are so proud of you!
Love,
Mom, Dad & Matty

We're so proud of you! We love you very much and wish you the best for your future. If you approach your future with the same determination and dedication that you give to cheerleading, success is yours! Remember, a dream is a wish your heart makes...follow your dreams.

All our love,

Mom, Dad, Sarah, and Samantha

Francesca Lynch

Valeria Dequitis

Dear Vali,

All your dreams can come true if you have the courage to pursue them. If you can dream it, you can do it. We are so proud of you and we love you so much.

*Your Godparents,
Angel, Carmen, & Pedro*

Muchas Felicidades, Valeria!

Te queremos mucho,
Mama y Papa

*Congratulations,

TWITTER MADE THE SCOPE OF THE WORLD'S OBSESSION WITH THE 16-DAY SPORTING EVENT OBVIOUS.

THE 2012 GAMES SAW 66 OLYMPIC RECORDS AND 30 WORLD RECORDS BROKEN

MOST DECORATED OLYMPIAN EVER

The medal count as Michael Phelps ended his swimming career in London was staggering: 22 in all, including 18 Golds. From London alone, Phelps earned four Golds and a pair of Silvers. The 27-year-old champion officially retired from competitive swimming after the Olympic Games and was vague about his plans for the future. Also in the pool, Colorado's 17-year-old Missy Franklin captivated fans, winning four Golds and a Bronze while setting two new world records. And Ryan Lochte's five new Olympic medals, including two Golds, along with his big personality and good looks, set off a new career on screen — though he already committed to competing in Rio. Ongoing controversy surrounded record-breaking performances by Chinese swimmer Ye Shiwen, 16, who won a pair of IM Golds and smashed world records by delivering times better than either Phelps or Lochte. Proving doubters wrong, Shiwen tested clean for doping.

GOLD THRICE Called "the greatest beach volleyball team of all time," Misty May-Treanor and Kerri Walsh Jennings repeated as women's beach volleyball champions in London. In addition to their three Olympic Golds, the duo won three World Championships before May-Treanor retired. **RECORD-BREAKING** When Carmelita Jeter anchored a world-record effort in the 4x100-meter relay, Team USA won the Gold medal with a scorching time of 40.82 seconds. That mark, the first in history under 41 seconds, broke a record set in 1985.

BADMINTON EXPULSION Eight players from three different Asian teams were controversially excluded from the Games for not trying hard enough to win matches. Officials said their attempts to throw early matches violated the Olympic spirit.

DENIED South Korea's Shin A-lam waited more than an hour for her appeal to be heard before leaving the fencing strip. Britta Heidemann of Germany, who advanced to the Gold medal match but lost, was awarded the winning touch.

MORE GOLD Without dropping a set during the Games, sisters Venus and Serena Williams earned Gold in doubles with victories over the Czech Republic and Russia. In addition, Serena took top singles honors, so she — like her sister — owned five Olympic Gold medals.

"FIERCE 5" The U.S. women won the team gymnastics competition, their first team Gold since 1996, by a whopping five points over second place Russia. Because only two from each team can compete, Jordan Wieber was edged out of the individual all-around finals. There, Gabby Douglas earned the individual all-around Gold, Aly Raisman medalled twice and McKayla Maroney's "not impressed" look after winning the Silver medal in the vault finals became an Internet sensation.

BLADE RUNNER While South African double amputee Oscar Pistorius left London an inspiration to many, his reputation lost its shine (and sponsors pulled their endorsements) just months later when he was charged with the murder of his girlfriend, Reeva Steenkamp.

VICTORY Winning the first U.S. women's Gold in judo was just part of Kayla Harrison's story. Molested by her childhood coach, she returned to the mat after opening up to her mother. Kayla committed herself to training harder than ever while her coach sat in prison.

VULCANO ERUPTING A long-simmering volcano in Guatemala produced its most powerful eruption in nearly 40 years in September, hurling thick clouds of ash miles high, spewing glowing rivers of lava and prompting massive evacuation orders.

POWERFUL TEMBLOR Costa Rica's worst quake in over two decades — a tremor measuring 7.6 that was felt as far away as Nicaragua and Panama — sparked landslides, knocked down buildings, disrupted power and briefly triggered a tsunami warning, but caused just two deaths and relatively few injuries.
